View your annotations on this publication in the left hand pane by taping the *annotations button*. Filter by annotation type using the filters at the top of the pane.

Search
Search within the publication using the *search bar*. Results within the document you are currently browsing will appear under the **"Document"** heading. Results in other parts of the publication will appear under the **"Publication"** heading.
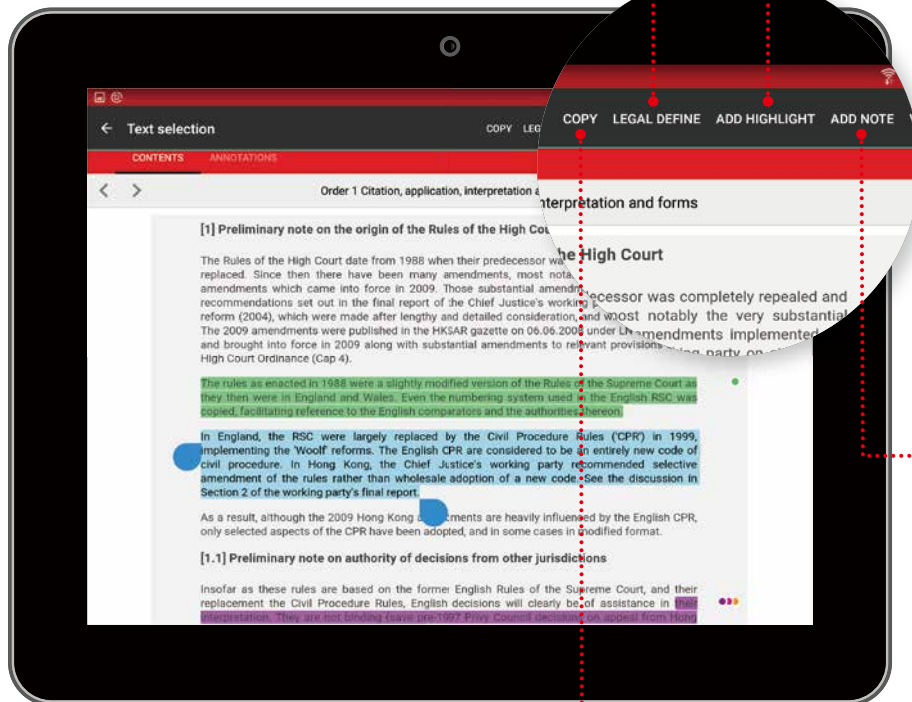

Commentary
Is shown with a grey background

Creating annotations and looking up legal definitions

On a Lexis® Red publication, you can highlight, tag (bookmark), add notes, copy text and access legal definitions.

Legal define
To find the legal definition of a word tap and hold the word, then select *'Legal Define'*.

Adding a highlight
To highlight a single word, tap and hold the word, then tap *'Add Highlight'*.
To highlight a section of the text, tap and hold the first word, then drag the blue dots and tap *'Add Highlight'*.
NOTE: If you add a tag to this highlight, the colour of the highlight will change to the colour of the first tag of the tag screen.

Adding a note
To add a note to a highlighted section of text, tap on any word in the highlighted section and then tap *'Add Note'*.
A note screen will pop up for you to type your notes – they will be autosaved. Tab outside of the annotation screen to continue reading.
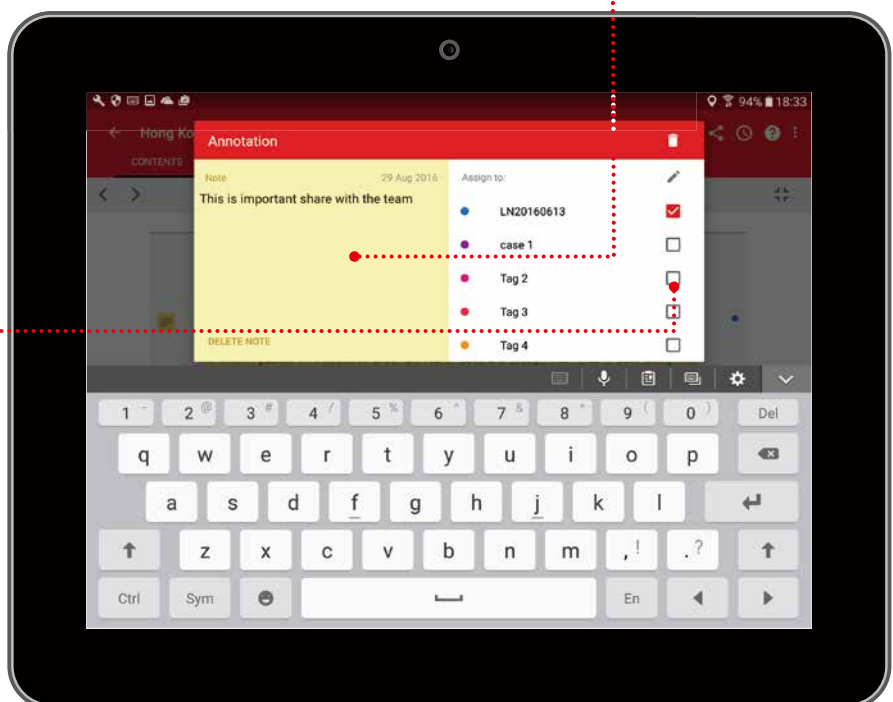

Copying Text
To copy the text, tap and hold a word, drag the blue dots to highlight the text you need then tap *'Copy'*.

Adding a tag
Once you highlight a section of text, a box will pop up for you to select a tag. **Tap the tag you want** and a tick will appear. You can create tags for file numbers, client names, etc.
NOTE: If you add a tag to this highlight, the colour of the highlight will change to the colour of the first tag of the tag screen.

Editing your annotations

Annotations can be edited from within a publication.

Editing highlights – adjusting the highlighted area

To highlight more: Tap on a highlighted word and drag to cover the extra content you want to highlight. Tap *'Edit highlight'*.

To highlight less: Tap on the highlighted area, and then tap *'Remove highlight'*. You can then re-highlight the relevant area.

NOTE: Deleting a highlight will also delete any associated tagging or notes. The colour of the highlight changes to the colour of the first tag of the tag screen.

Editing notes
Tap the note icon on the left hand side of the text.

Editing tags
To edit a tag, tap the tag icon (a colored circle) on the right hand side of the text.

Accessing and editing your annotations from the homescreen

Annotations can be viewed and edited from the homescreen using the annotations button.

Filtering annotations
*Filter by annotations* to show notes, tags, highlights or orphans.
Orphaned notes are those which were attached to sections of text which have been removed or substantially amended during a content update.

Accessing annotations
Change the home screen view from Publications to Annotations by tapping the *annotations button*.

Editing tag names
Edit the names of the tags.

Filter by tag
Filter annotations by tags.

Editing notes
To edit a note, tap the *note icon*.

Edit or remove tags
To edit or remove a tag, tap the *tag icon*. NOTE: The colour of the highlight changes to the colour of the first tag of the tag screen.

Scroll through your annotations.

Searching annotations
Use the *search bar* to search across all your annotations in all publications.

Syncing annotations across devices

Annotations automatically sync across multiple devices when you connect to the Internet.

Mac OS 10.10+

Windows 8.1+

Android 4.4+

iOS 8+
