

## Your trusted looseleafs are now in digital format

Don't let the size of your library limit the size of your knowledge

### **Lexis® Red gives you 24/7 digital access to your looseleaf services anywhere**

Embracing technology and the resulting productivity gains is a huge opportunity for small and mid-sized law firms in Hong Kong. Firms that adopt new and better ways of working will see a return on investment through time-saving and growth in their client base.

Hong Kong is one of the most connected cities in the world, with everyone plugged in to their mobile devices. Easy access to information and constant connectivity means clients now expect immediate answers, whenever or wherever you happen to be.

Lexis® Red is an innovative new way to access your looseleaf services, gives you our trusted legal content when you need it, wherever you are. Rely on a 200 year history of legal authority combined and the best in technology advances.

**In one of the most digitally connected cities in the world, can you afford not to be connected?**

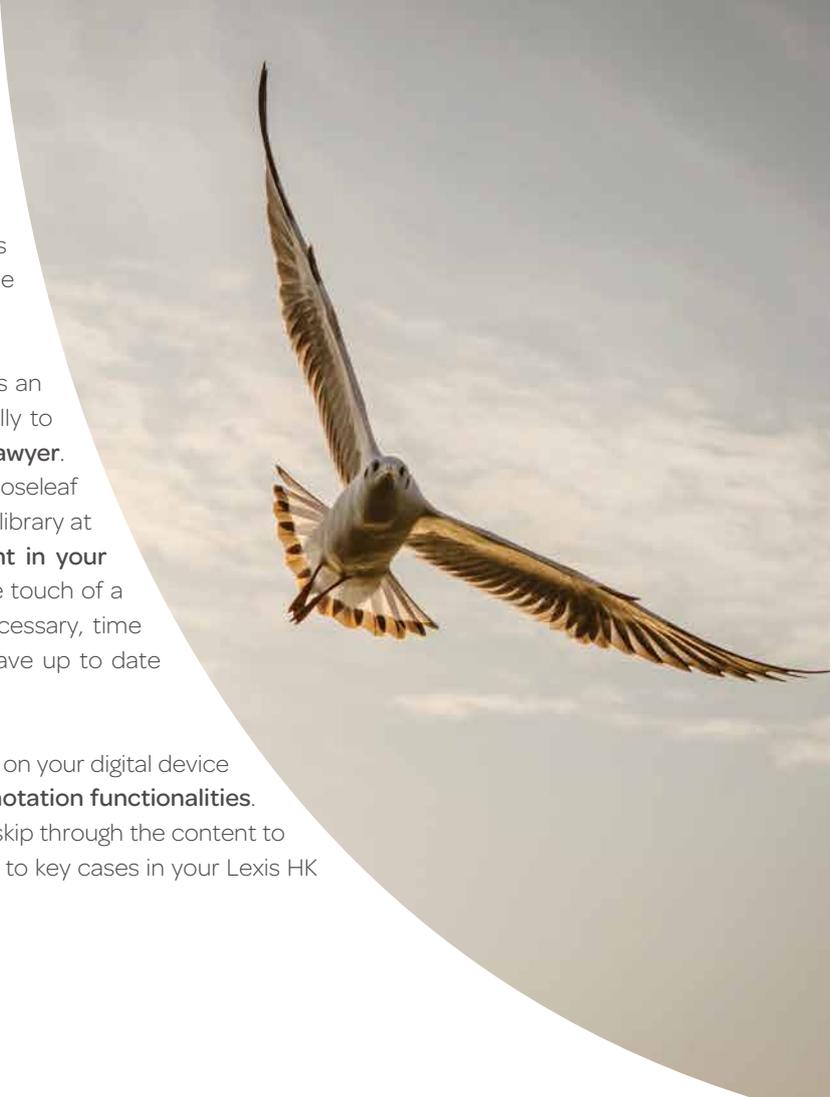

# Introducing Lexis® Red

Lexis® Red is an innovative referencing tool that provides **online and offline** access to your entire looseleaf library at the touch of a button or swipe of a screen.

**Compatible with Apple, Android and Windows devices** it is an award winning application, designed by LexisNexis specifically to meet the **reading and research needs of the 21st century lawyer**. Lexis® Red combines the familiarity of your trusted print looseleaf content with **the time and space saving** benefits of a digital library at your fingertips. The service **automatically updates content in your account**, ready for you to download onto your device at the touch of a button. Welcome to a world where no bookshelves are necessary, time consuming paper filing of updates is eliminated and you have up to date content at arm's reach.

Lexis® Red also allows you to research quickly and effectively on your digital device through **sophisticated search, highlighting, tagging and annotation functionalities**. In addition, interlinking between relevant sections helps you skip through the content to find relevant information, while further reading links take you to key cases in your Lexis HK online account **quickly and efficiently**.

## Lexis® Red is...

**Efficient** Lexis® Red reduces the need for physical office space by enabling your team to carry their entire binder collection with them, and eliminates painful and timely paper filing.

**Accessible** Lexis® Red provides access to your content online and offline, so you don't have to rely on an internet connection to get your work done.

**Productive** Save time with our powerful search functionality, seamless in product linking and easy access to further research.

**Personal** Our personalisation tools let you quickly and effortlessly annotate sections, search, highlight and copy, paste and share text.

**Up-to-date** Updates are sent straight to your account, giving you confidence you're accessing the most current legal information available.

**Reliable** Lexis® Red saves your annotations to the cloud, and syncs notes between devices when connected online.

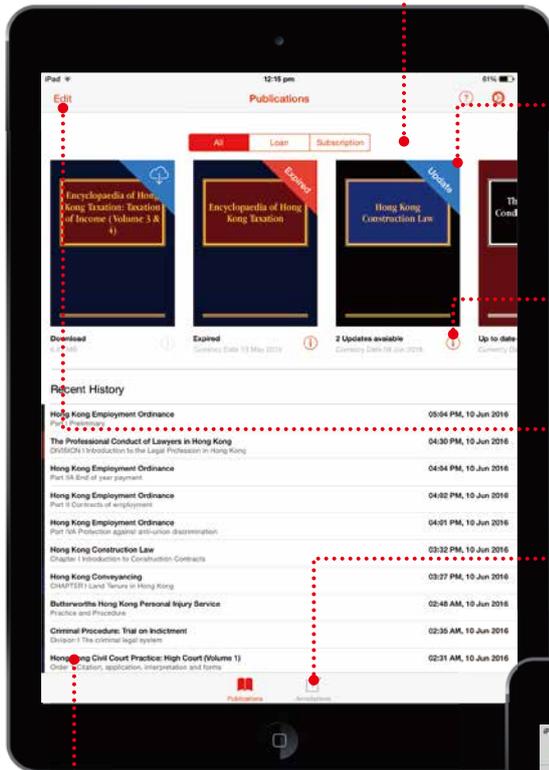

**Portable** Whether in court, at work or at home Lexis® Red gives you 24/7 access to the reference tools you need to succeed.

**Flexible** Whether you work alone or in a firm Lexis® Red allows everyone to have their own copy of your subscribed looseleaf services.
