The Forensic Experts Group (TFEG) is a team of accomplished forensic scientists who were former leading forensic scientists in a government forensic laboratory (Health Sciences Authority, HSA) in Singapore. We are combining our many years of specialised knowledge, unique experience and skillsets to deliver high quality forensic services both locally and overseas. The H.E.A.R.T of our independent enterprise is to relate to people with Humility, conduct our business with an Enterprising spirit, be Above board in our words and actions so as to provide Reliable forensic services, and establish Thought leadership in forensic science.
