Dear Sir,

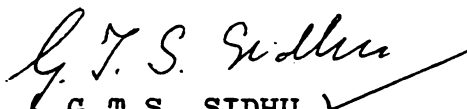

The Bar Council and Members of the Bar extend their deepest sympathy and heartfelt condolences to yourself and family on the passing away of Dr.B.A. Mallal who was held in the highest respect by the Bar of Malaya.

I can well imagine the sorrow that must now dwell in the hearts of the children and grand-children of Dr. B.A. Mallal but I would like to say that the loss to the Members of the Bar is irreplaceable for Dr.B.A. Mallal had done so much for the Legal Profession.

I assure you that his memory will be ever present among the Legal Profession and his name will be repeated in the Courts of Malaya every time a case is quoted from his numerous books and law reports and this of course will be every hour of the day.

May the Almighty God give him rest and peace for he had worked so hard for the Legal Profession and through it for the people of this country.

Yours faithfully,

(G.T.S. SIDHU)
