My Dear Mansor,

The extension of the Subordinate Courts Act in June this year to Sarawak and Sabah brought to reality the slow process of harmonization of the courts in Malaysia. For the first time we have achieved uniformity in practice and procedure in all the courts in the country.

As the Malayan Law Journal steps into the sixth decade of publication, I would like, on behalf of the legal profession in Sarawak and Sabah, to convey our best wishes for its continued success. May we also take this opportunity to wish you A Happy and Prosperous 1982. In conclusion, as always, we will give the Journal our full co-operation and support.

Yours sincerely,

(Tan Sri Datuk Lee Hun Hoe)
Chief Justice,
Borneo.
